

CAHMI's Cycle of Engagement

Real engagement, for real health

We are changing the way we do well child care, and we want to partner with YOU!

Make the most of your child's well visits using the Cycle of Engagement Well Visit Planner Approach to Care!

The Well Visit Planner and PHDS are mobile-optimized and are available in both English and Spanish!

How does it work? ►

- ✓ Take 10 minutes to complete the online *Well Visit Planner*[®] (WVP)
- ✓ Get and share your **personalized Well Visit Guide**.
- ✓ Complete the brief *Promoting Healthy Development Survey* (PHDS) to give and get feedback on how things went!

Our practice will be using the COE WVP for well-child visits for children up to age six.

Well Visit Planner (WVP)
A 10-minute pre-visit planning tool to personalize your care

Personalized, Connected Encounter (PCE)
Partner with your provider to meet your child and family's needs and priorities

Online Promoting Healthy Development Survey (PHDS)
A post-visit quality assessment to help us improve!

How Do I Get Started?
